MyCar Mobile.

Tire & Wheel

Nails, metal, wood, glass, potholes and other road debris all cause blowouts, flat tires and damage to your wheels and rims. Tire & Wheel Road Hazard provides:

- No replacement cost limits
- Repair/replace damaged tires due to road hazard
- Repair/replace damaged wheels (rims) due to road hazard
- Mounting, balancing, valve stems and taxes are included
- Cosmetic wheel coverage option available

Door Ding/PDR

Keep your car looking "showroom new." Door Ding and Paintless Dent Repair (PDR) provides:

- Removal of small dents and dings
- Nationwide network of paintless dent repair specialists
- No deductible
- Keeps the vehicle looking new
- No repainting or body filler needed
- Decreased amount of down time for the vehicle
- No painting needed - no chance of mismatched paint

Key Replacement

Today's keys use complex computer chips and programming to operate remote locks, trunks and starters on your vehicle. This plan is designed to take the aggravation out of lost or stolen keys as well as locking keys in the vehicle. Key and Remote Replacement provides:

- Covers lost, stolen or damaged key/remote replacement
- Covers cost of labor for programming
- Nationwide coverage

Windshield Repair

Chips in your windshield can be costly to repair with expensive deductibles that may cause your insurance rates to go up. Windshield Repair and Replacement provides:

- No deductible
- Quality repairs and/or replacements
- Fast and easy claim service
- Professional technicians that can come to the vehicle location for repairs
- Recalibration of advanced driver assistance safety feature system included

Roadside Assistance

Don't let unexpected situations leave you stranded on the road. 24/7/365 Emergency Roadside Assistance provides:

- Emergency road service for tire changes
- Emergency fluid delivery service
- Emergency dead battery jump service
- Emergency towing service for non-collision related problems
- Emergency accidental lock out service

MAG's Maximum Protection Plan Plus (with Recalibration)
is a combination of five of our products designed to give
your vehicle the *maximum* protection at one low cost.
